View From Inside Looking Out

The Skeleton Front Door Guard for CAT skid steers installs easily onto the skid steer using factory hardware from your original door, including hinges, lock system and emergency escape system. Integrated push bumper system spreads weight of door over cab, keeping weight off the hinges. (This is shown in Figure 1)

PLEASE NOTE: This guard is intended as a brush guard only. It is not a certified FOPS/ROPS guard.

HEAVY EQUIPMENT **ARMOR** PROTECTION YOU CAN COUNT ON!

ENHANCED CAT SKID STEER GUARDING
